

## **PA Elite FHC L.L.C. is offering some EXCITING Opportunities for this Winter!**

***\*\*\*\*First we will be offering a Skills Practice Every Week (most likely on Monday or Friday nights), so girls can get extra touches on the ball which is what makes our Players more Successful!***

***\*\*\*\*On Tuesday August 1st, we will be starting our 5th Indoor Season. In honor of this very big Accomplishment, we will be offering some Player Discounts for the Winter Season! If you get 1 New Player to join, we will take \$25 off of your tuition. If you get 5 or more players, we will take \$75 off of your tuition!***

***\*\*\*\*We will also be Giving Some Gifts out for the Indoor Season at our Tryouts! Each Year Player will be Receiving Something, whether you are an ORIGINAL PA Elite Player or a New Player Joining the Club! Each Girl will have Something Fun to look forward too at their Tryouts!***

***\*\*\*\*Also, I am in the Process of trying to get Two Indoor Collegiate Clinics this Winter! Details will follow as I get them!***
